SERVICES

In an ever-changing recruitment market, Saxton Leigh delivers a dedicated and specialist recruitment service for UK, EU & US employers and candidates specifically focussing on the Risk, Compliance, Financial Crime and Legal markets.

We help build out teams, source specialist individuals and provide an end to end recruitment service for both permanent and contract staff.

WHY US?

With extensive market knowledge and experience, we have the insights that set us apart from other firms in the industry. With this experience, we have earned the trust of both our clients and candidates, which means that we have the industry's top talent and leading firms working with us. Our consultants can offer you a tailored, bespoke service to match your every hiring need and requirement, whether you are looking to grow out a team or to find a niche specialist to help with a particular project. From a candidate perspective, our consultants are here to help guide you on your job-hunting journey and provide you with the next step in your career.

OUR APPROACH

PERMANENT

The success of our permanent solution is based on the continual development of our network of candidates. We are constantly mapping the market and identifying both active and passive job seekers, thus giving you access to the best talent.

INTERIM

Having the right interim resource readily available is essential whether it be to lead a project or provide cover for a BAU position. We have an enviable network of immediately available professional interim consultants, and we are able to provide either individuals or teams for any length of assignment.

EXECUTIVE SEARCH

For vacancies with specific or in-demand skills, we also offer a full search service. Utilising our dedicated research function, we will map, identify, and present the most suitable candidates from the whole market for you to meet.

INTRODUCTION

Welcome to Saxton Leigh's salary guide for 2023. Our experienced consultants have combined their industry insights and analysis of the risk, compliance, financial crime, and legal markets to bring you this pack.

We hope that this report will be an informative guide for both our clients and candidates, whether to plot growth strategy, understand what is happening in the market, or look at remuneration benchmarking.

Please note that the research for this paper was carried out in 2022.

As part of our work as your dedicated risk, compliance, and legal specialist, we carry out constant market research through attending seminars, writing blogs, and engaging with our clients on a regular basis.

This research continues to keep us at the forefront of risk, compliance & legal recruitment and as one of the leading specialist firms.
